

## **MARAYA ARROUH - MEDIATION**

A brand new interactive dance performance, **MARAYA ARROUH** in collaboration with Col'jam Company from Casablanca, Morocco and digital artist Arnaud Courcelle.

This piece has premiered with great success at the FIAV (International Festival of Art and Video) in Casablanca, Morocco, 2021 and at the Mercurio Festival, Palermo, Italy, October 2022 ...

As part of our proposals, we also offer:

- Master classes on contemporary dance techniques
- Choreographic composition workshops
- Comprehensive workshop on Dance and Technology
- Crossed creative residencies with local artists
- meetings with professionals, the general public
- other shared creative activities with communities

Expertise: we have a wide experience in touring abroad and overseas together with the making of new pieces in collaboration with local artists (in particular in the frame of several European projects, in Morocco, in South and Central America, etc.) via a dual convention set between the Institut Français and the City of Toulouse, France, where the Company is established.

You can find on the website of [K. Danse](https://www.k-danse.net/en/mediation/) all the necessary documentation: video excerpts, photos, dossiers, etc. and description of our mediation activities:
