

BEING AN ASTRONAUT

A FILM BY PIERRE-EMMANUEL LE GOFF AND JÜRGEN HANSEN

A VIRTUAL REALITY EXPERIENCE

BEING AN ASTRONAUT

PART 1 - THE TRAINING - 15 MINUTES

Take part in astronaut training by the side of French astronaut Thomas Pesquet. Join the Centrifuge Experience in Cologne, experience simulations in the Soyuz starship in Moscow and dive into NASA's pool in Houston designed to simulate spacewalks.

PART 2 - THE MISSION - 17 MINUTES

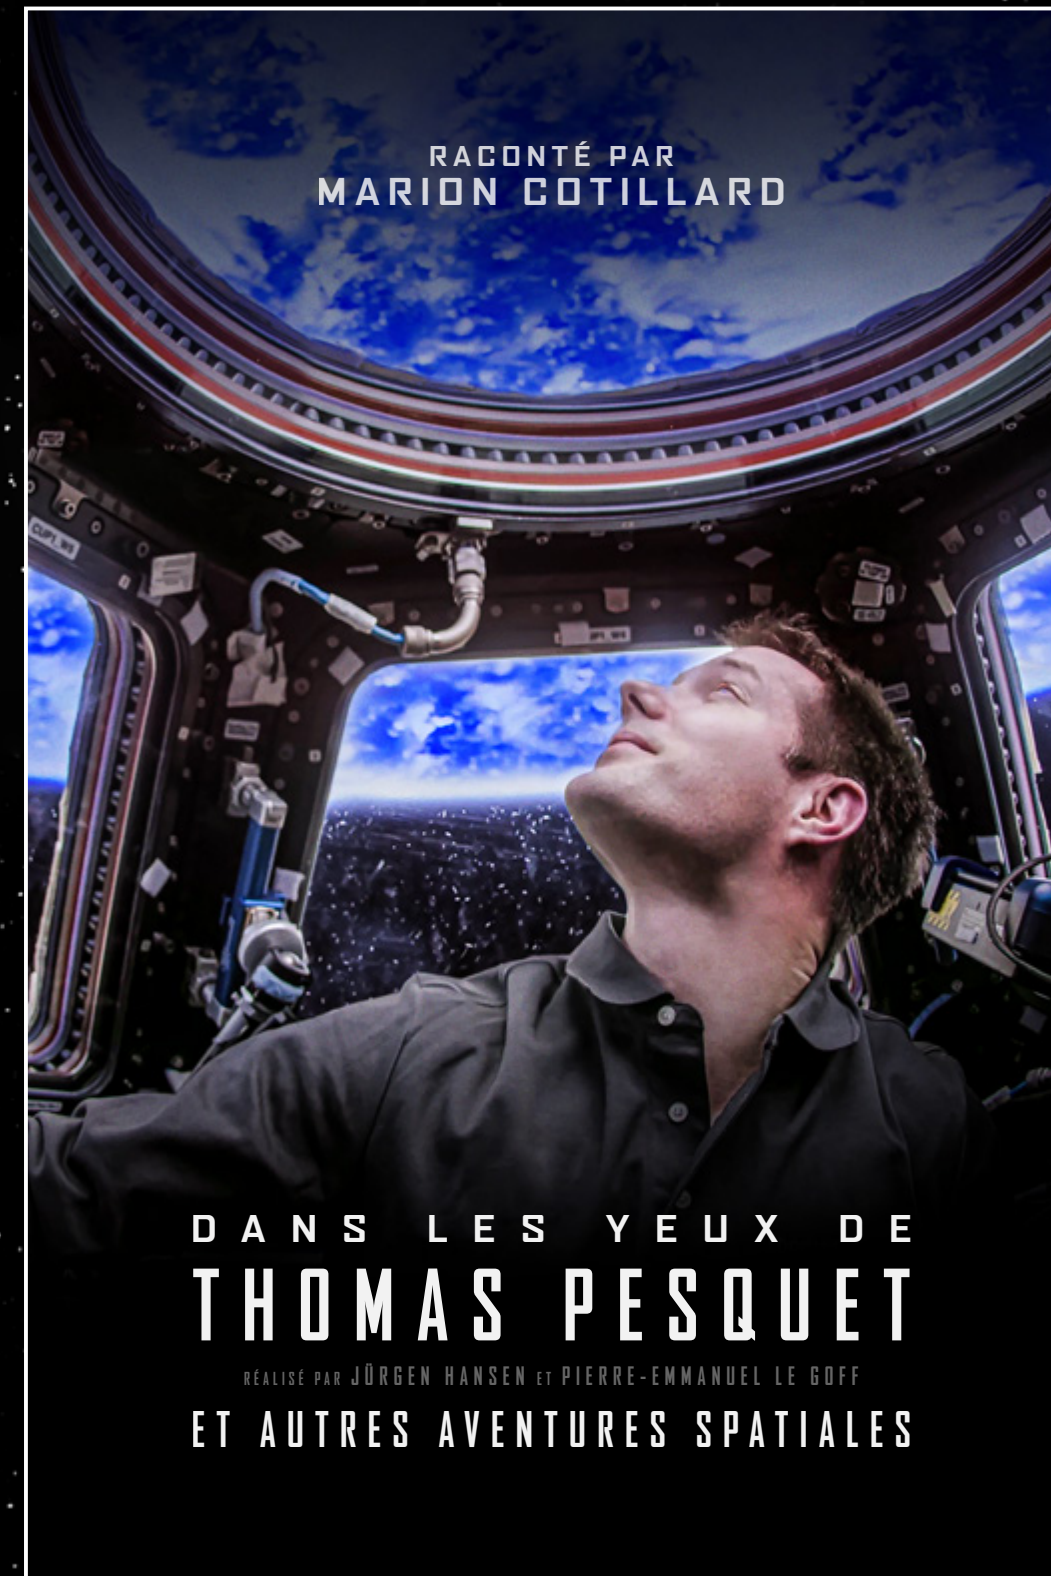

Take part in the launch of the Soyuz Rocket, in the docking of the shuttle on the ISS, and in everyday life in zero gravity. Admire Earth from the Cupola before stepping out into space and experience an amazing journey into the Cosmos.

COSMORIDER - 5 MINUTES

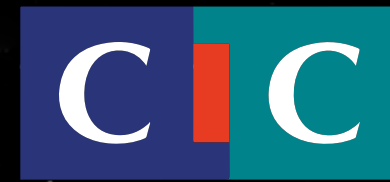

In this short version, step into the shoes of French astronaut Thomas Pesquet and experience the most striking moments of his space journey.

EXTEND YOUR SPACE ADVENTURE WITH OUR DOCUMENTARIES AND OUR PLANETARIUM SHOW!
